---

## Paul Church BBus CPA - Consultant

Paul Church is the co-founder of Aussie Accounts and brings his vast accounting knowledge and experience to the world of bookkeeping. Paul held various senior roles in Brisbane based national construction and mining businesses before moving to the Gold Coast in 2000. Since then he has held Financial Controller roles in an international building supplies company, and an international beachwear and snow boarding company. Paul has a history of growing companies through superior quality control and operational management. It is with these same focuses that Paul oversees the operation and expansion of Aussie Accounts which has made it Australia's leading and fastest growing Bookkeeping company.

---

## Tanya Steadman – Operations Manager

Tanya joined Aussie Accounts in September 2007 as a bookkeeper and has progressed to Operations Manager in 2009. Tanya brings over 23 years experience in Banking and Finance to the business ranging from Customer Service to Commercial Lending. Tanya's last role was with a major Australian Bank where she assisted with the management of a portfolio of over 200 business clients from a wide range of industries. Tanya is currently completing her Certificate IV in Financial Services (Bookkeeping) to formalize her practical knowledge of the industry in which she works.
